Insights Into Circularity is the quarterly executive videocast series where RMC president and CEO Bob Bylone hosts a one-on-one talk with an industry leader, discussing their insights into circularity where the

Impossible can be made possible.

Get to know executives virtually, and find them approachable for your next event, for your next business transaction, or next conversation.

Each Insights Into Circularity live videocast is archived in the RMC online webcast library and available for viewing on PennRMC.com.

Featured circularity leaders have included:
Kurt Duska - Kurt Duska Sales & Consulting (plastics)
Cynthia Andella - Glass Recycling Entrepreneur (glass)
Gordon Burgoyne - Covanta Environmental Solutions (electronics)
Bob Anderson, Retrievr, Closed Loop Partners (investment | local MRF)
Archie Filshill - Aero Aggregates (glass)

Where you can learn if the impossible is possible in Circular Economy.
