The Pennsylvania Recycling Markets Database is managed by the Pennsylvania Recycling Markets Center (RMC) in collaboration with the Pennsylvania Department of Environmental Protection (DEP).

## Pennsylvania Recycling Markets Dataplace

The goal of the Pennsylvania Recycling Markets Dataplace is to assist Pennsylvania companies, institutions, organizations, and individuals locate outlets for various recyclable materials.

The Recycling Markets Dataplace includes listings of Pennsylvania recycling brokers, processors, material recovery facilities and manufacturers that use recycled materials as feedstocks.

The Pennsylvania Recycling Markets Center (RMC) is a non-profit corporation with mission to reduce or eliminate barriers that lead to expanded end-use of Pennsylvania's recycling. As the only Pennsylvania organization with this uniquely circular mission, the RMC team brings economic development and environmental guidance; recycling industry outreach and research; and manufacturing assistance to stakeholders including entrepreneurs, manufacturers, recycling sorters, collection programs, haulers, governmental agencies and officials, consumers, and educators.

The Recycling Markets Center is the keystone of circular economy in Pennsylvania.

Since inception in 2004, and with funding from the Pennsylvania Department of Environmental Protection, the RMC has an affiliation with Penn State and is headquartered at Penn State Harrisburg with an office also in Pittsburgh. Serving the entire state, RMC assistance includes manufacturing supply connectivity for use of recycled feedstocks; applied research and commercialization assistance in the use of recycled materials; technology and equipment comparisons; and expert curation of technical and business growth knowledge.
